

# Directions to Joint Care Clinic Waterton Industrial Estate, Bridgend

Take the A 473 from either the M4 or Bridgend, turning onto the Waterton Industrial estate at the large roundabout bordered by B&Q and the Pied Piper pub. On the industrial estate, after about 400 yards, turn right at the Logica roundabout (3<sup>rd</sup> exit), then turn immediately right into the car park of the Waterton Buildings. The entrance to the clinic is in the back left hand corner of the building as you look, and we are up the stairs on the first floor – please make your way to the waiting / reception area.
